Rest-Rite™ Anti-Jamming Steam Table Pans

Alegacy's Rest-

Rite steam table pans come in four advertised thicknesses so you can choose the right quality pan at the right price. They are all crafted with the full perimeter anti-jam ridge to prevent pans from jamming during shipment or storage, and also feature reinforced corners for superior shape retention. The 22 and 24 gauge 18/8 stainless steel pans are built to last while the 23 and 25 economy gauged may be just what you need at a great value. All steam table pans are NSF listed.

Anti-Jamming Steam Table Pans

Alegacy steam table pans feature anti-jamming, 22 and 24 standard gauge design, and re-engineered, stronger corners, allowing finger space between pans for quick removal. Also, the anti-jamming, reinforced corner design increases heating efficiency and lengthens safe holding times by an improved fit in the well. Also available in 23 and 25 economy gauge design.

Steam Table Pans

These 18/8 stainless steel steam table pans are tight-fitting, so steam can't escape, lengthening safe holding times. Their reinforced edges prevent the corners from bending, they fit better in the well, and can easily be moved from freezer to oven without re-panning. Available in 22 and 24 gauge stainless steel. A variety of accessories and covers are also available. Alegacy steam table pans are NSF listed.
